## Phase Three: Executive Summary for Schools

### Executive Summary for Schools

#### Description of the School

Describe the school's size, community/communities, location, and changes it has experienced in the last three years. Include demographic information about the students, staff, and community at large. What unique features and challenges are associated with the community/communities the school serves?

Wrigley Elementary School is located in Morgan County and housed in a beautiful building that opened in January of 2014 to replace West Liberty Elementary, which was destroyed in the 2012 tornado. After moving to a temporary facility in an abandoned factory two weeks after the storm, our students still managed to be a Proficient school according to their KPREP scores that year. In the 2013/14 school year we scored in the 82 percentile and are classified as "Proficient/Progressing." In the 2015-16 school year, we achieved a Distinguished, School of Distinction status. For the 2017-18 year we had 55.2% Proficient/Distinguished in Reading and 52.4% Proficient/Distinguished in Math. We have just fewer than 300 students in grades K-5 with 13 homeroom classrooms. Approximately 72% of which qualify for free or reduced meals. In grades 3rd-5th approximately 75% fall below the poverty line and 47% receive speech or special education services. Wrigley is a rural school that sits on Route 7 surrounded by lush hills and valleys. We have 20 certified employees and 21 classified employees. We became a "Leader in Me" school in 2014.

Please be sure to upload the files in the Attachments section at the end of the diagnostic.

#### School's Purpose

Provide the school's purpose statement and ancillary content such as mission, vision, values, and/or beliefs. Describe how the school embodies its purpose through its program offerings and expectations for students.

Wrigley's Mission Statement is "Developing Leaders, One Child at a Time!" Our Vision Statement is "Expect The Best!" We incorporate leadership strategies and traits into our daily routine by following, "Steven Covey's Seven Habits of Highly Successful People." We also recognize our students for their accomplishments, whether it be academic, behavior or social accomplishments at our quarterly "Expect the BEST" ceremony.

#### Notable Achievements and Areas of Improvement

Describe the school's notable achievements and areas of improvement in the last three years. Additionally, describe areas for improvement that the school is striving to achieve in the next three years.

Wrigley was chosen as a "Leader in Me" school in 2014. In 2014-15 school year, we scored the highest we've ever scored on KPREP Assessment, scoring Distinguished, School of Distinction status. In 2015/16, we scored Distinguished as well. The 2016/17 school year KPREP didn't have "status" labels but our achievement was good. Our goal is to increase our Proficient/Distinguished while reducing Novice and closing the gap. While our scores did decrease in benchmarking we were among the highest in growth in the state.

Please be sure to upload the files in the Attachments section at the end of the diagnostic.

### **Additional Information**

Provide any additional information you would like to share with the public and community that were not prompted in the previous sections.

We are very proud of our school, our community and all the parental support.
